Tom and Kori Smith give a total of \$20,000 to the Cleveland Hungarian Development Panel

The Cleveland Hungarian Development Panel is pleased to announce that Tom and Kori Smith have made a \$10,000 gift to the Cleveland Hungarian Development Panel in December 2021, and another \$10,000 in December 2022.

As Tom noted, "From its very beginning in 1990, the Cleveland Hungarian Development Panel has been a big part of our lives. We played a big role in making the Paprika fundraisers a success, in making sure that the panels funds are soundly invested, and in helping to ensure that the Panel has funded outstanding projects."

This change does not, however, mark the end of the Panel's fundraising. Even though we're not having Paprika, Tom and Kori hope that members and friends of the Panel will continue to be generous with their gifts. They are thus leading the way with their gift in 2021 of \$10,000 to the Panel's endowment, and have contributed another \$10,000 in December 2022.

Tom closed with "I would encourage everyone to look at the Panel, not only as a source of philanthropic funding, but as a place to support with your own gifts, increasing the impact of the Panel's philanthropy in the years, decades, and centuries to come."
